

Amendments to the Drawings

The Examiner objected to the drawings under 37 C.F.R. §1.83(a) for not showing the subject matter of claim 4. Claim 4 has been cancelled. Therefore, the objection has been mooted by this cancellation.

The drawings have been amended to show the subject matter specified in new claim 41.

The attached sheets of drawings include corrections made to the Figures, as discussed in the Remarks. Each of the sheets is marked as "Replacement Sheet" pursuant to 37 C.F.R. § 1.121(d).

An annotated mark-up, as provided for in 37 C.F.R. § 1.121(d)(1) has not been provided in view of the detailed description of the changes provided herewith. Applicant will, however, provide an annotated mark-up if required by the Examiner.
